“So that others can enjoy...”

**Scottish Community Drama
Legacy Form**

Over many years our association has meant so much to so many people, and has helped create many friendships which have lasted a lifetime. We have encouraged excellence and supported community Drama throughout Scotland since 1926—a record to be truly proud of.

Sustaining our organisation sadly comes at a great cost, and with public funding being withdrawn from many arts institutions we have to support ourselves as best we can. Our Members have seen us through some very tough times, and their appreciation of our work has been constant.

Many lives have been enriched by SCDA, and from time to time we are asked about the process for making a bequest to help others to enjoy the friendship and fellowship which means so much.

Sadly we have lost many friends long before they had planned for what followed. Please consider making SCDA a beneficiary of your Will.

Thank you
